Our hiring requirements for weekend/evening postions:

As much as we'd love to allow everyone the flexibility to work whenever most convenient for them, the reality of our business is that most of our customer traffic occurs in the evenings and on the weekends, especially weekend nights. Those are the important times when we need availability to work. We will try to be as flexible as possible in scheduling around school schedules. A job requirement for the part time evening position is that you must be available to work at least one weekend night (a Friday or Saturday night every week.) If you cannot commit to this, **do not apply**. Our minimum scheduling requirement for evening shift new hires is that you work one weekend closing shift, and two weekday closing shift. If you are hired and are unable to fulfill this requirement, you will be taken off the schedule.

Working at an ice cream shop looks like fun from the outside, but it is hard work. The customers can be demanding. It gets hot. There is a lot of pressure and you have to work at times when your friends and family don't. You have to be willing to pick up trash, wash dishes, sweep, mop and clean bathrooms. If you think you can handle the pressure of working in a fast paced environment like this, tell me in a few sentences why you still want to be a part of our team.
